

BANBURY TOWN COUNCIL

POSITION REGARDING ALLOTMENT OPENING

IN LIGHT OF THE CORONAVIRUS PANDEMIC & RECENT

LOCKDOWN DIRECTION

Banbury Town Council continues to advocate the Government Direction of “Stay At Home – Protect the NHS – Save Lives” and all allotments holders should seriously follow this direction as they go about their everyday lives.

We recognise that Allotments provide both mental and physical benefits to its gardeners and wherever possible that should continue

Allotment Gardens shall remain open provided that the following conditions are met:

- No more than 2 visitors shall be allowed per plot
- Any children visiting the site shall be supervised and restricted to their own plot
- All communal facilities including tool sheds, meeting sheds, composting toilets are closed
- All Gardeners use their own tools and do not share others
- Gloves are worn
- If you have a hand sanitizer please have with you and use
- Government guidelines on social distancing are maintained at all times
- Any Gardener and/or a member of their direct family either showing signs of the illness shall follow the self-isolation guidelines and not visit the allotments
- Any Gardener who is in receipt of any direction to isolate for 12 weeks shall follow guidelines and not visit the allotments

Town Council staff shall visit all allotment sites throughout lockdown to ensure these rules are adhered to. If for any reason these rules are not followed, Banbury Town Council reserves the right to close these facilities without notice.

Thank you for your co-operation in these unprecedented times.

Allotment Gardeners are encouraged to follow messages on our website and social media for any changes

Mark Recchia

Town Clerk
