Guidance Notes

Banbury Town Council has allocated £20,000 to help local organisations to support the local community in the battle against the coronavirus and help the residents of Banbury (up to a maximum of £500 per organisation).

Principles

All applications will be considered on their individual merits, but there are a number of guiding principles:

- How well the grant meets the needs of the community (and in particular any specific ward/area) in combatting the effects of coronavirus;
- How many residents of Banbury will benefit and whether the size of grant is commensurate with those benefitting.

Who can apply?

We will consider applications from:

- Groups, clubs, committees or charities based in Banbury. You will need to show that you are organised and have your own bank account.

We will not consider applications from:

- Businesses or organisations with a profit-making remit;
- Individuals.

When & How can I apply?

You can apply at any time, but the funds are limited to £20,000 and will be restricted to ensure geographical spread across the town in the fairness to all.

Application forms are available electronically on the website

https://www.banbury.gov.uk/Grants_16406.aspx

You will receive a response within 7 days of submission and funds transferred as soon as possible thereafter

Conditions of a Grant

1. The applicant, if successful, must spend the grant per the application form unless otherwise agreed by the Council, or the funds may need to be repaid;
2. The grant shall be paid electronically to the organisation making the application referred to in the application;
It is expected that the Town Council will be acknowledged for their support in any publicity material related to the project (an electronic copy of the Town Crest is available for this use);
3. All grant applications shall be monitored to ensure that the money was spent on the purpose intended. Monitoring Forms shall be sent out for completion within 3 months of the grant being paid over or within 3 months of the activity being completed.
