C.12/24 General Power of Competence

Members were informed that Banbury Town Council was one of the few Councils in Oxfordshire that held the General Power of Competence. Local councils in England were given a “general power of competence” (GPC) in the Localism Act 2011, sections 1 to 8. Councils with the GPC no longer needed to ask whether they had a specific power to act and had “the power to do anything that individuals generally may do” as long as they did not break other laws. It was a “power of first resort”.

The freedom of the GPC was available to local councils that met two criteria for eligibility. Councils had to decide at a full meeting of the Council that they met the criteria for eligibility at that particular point. Councils also had to have an electoral mandate (two thirds having stood for election) and a qualified clerk. Banbury Town Council met both criteria.

It was proposed by Councillor Hussain, seconded by Councillor Mears, and **WAS RESOLVED** that the Council, having satisfied the eligibility criteria set out in Statutory Instrument (965): Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012 (electoral mandate and qualified clerk), take upon itself the General Power of Competence as set out in Sections 1-8 of the Localism Act 2011.

Income & Expenditure Report

The Committee considered a report prepared by the Town Clerk & RFO comparing year-to-date income and expenditure with the projected annual budget for the financial year. The report showed all expenditure incurred up to 24 May 2024.

Officers responded to a range of questions from Members relating to various budget codes and financial procedures. Members' attention was drawn to the

fact that overall the Committee 's expenditure was within forecast versus the phased YTD budget.

General Services variances are principally

- Staffing costs remain within budget, subject to central government annual salary increases agreed with trade unions.
- Planned roof repairs at Southam Road depot completed (£3k) and fibreglass burial chambers purchased (£3k). Offset by timing of headstone beam installation £13k and annual BACS software license £3k.
- Timing of invoicing for grounds maintenance works impacted by timing of May invoice across Parks, including the first weed spray application to street edging.
- Tree works orders have largely been completed and with the final few days currently being undertaken, balancing available resources with recommendations from scheduled independent arboriculture inspections over an ongoing three-year timeframe.
- Hanwell View MUGA and Public Open Space (POS) has been transferred, along with S106 contribution, to be recognised over the next 15 years of maintenance.
- Contract has been completed for a two-year lease of cricket pitch facilities at Hanwell Fields, and associated investment in machinery has been undertaken, with the first games having been played in May following improved weather.

Underspends on Resources Committee also principally

- Corporate, Central Administration and Civic continue to be well controlled, with vacancies in central administration contributing £14k underspend.
- Town Council Events are currently within acceptable budget parameters.
- Town Hall – includes prepayment of wedding license (£3k) offset by seasonality of utility costs.
- Other services to the Public include timing of small grants (including Warm Welcome grant scheme), and invoicing of election costs.
- Other Costs & Income are in line with projected budget, with election costs reserve to be released from Earmark reserves.

Financial Effects & Risk Assessment

This is a monitoring report so there are no specific financial effects arising from it. Without effective budget monitoring there is a risk that budgets will not be adhered to, thereby weakening the Council's ability to demonstrate an effective use of resources. This risk is being mitigated by closer monitoring of spend using a phased budget.

IT WAS RESOLVED to receive and note the Income and Expenditure report , and agreed by the committee that the Director of Environment bring a future report to the committee regarding refurbishment of Play Areas and Play Equipment to the next meeting, using residual play value and life expectancy.

R.8/24 Internal Audit Report 2023/24

The Committee considered a report prepared by the Town Clerk & RFO.

Background

The Town Council has an arrangement with Auditing Solutions Ltd. who provides Internal Audit Services to a number of Local Councils nationally. The Internal Auditor plans visits over a three-year cycle and examines different aspects of the Council's financial operations.

The Internal Auditor work was undertaken on 31st October 2023, 15th February 2024 and 26th April 2024. This report contains observations made.

Comments

The Auditor concluded that, on the basis of the programme of work undertaken, the Council has maintained adequate and effective internal control arrangements during the year. In the areas examined, no major issues or concerns have been identified and it is considered the Clerk and staff continue to operate generally effective control procedures in each relevant area.

The Internal Auditors have completed and signed the 'Annual Internal Audit Report' in the year's Annual Governance and Accountability Return, having concluded that, in all significant respects, the control objectives set out in that report were being achieved throughout the financial year to a standard adequate to meet the needs of the Council.

The areas of review included:

- Accounting records and bank reconciliations,

COUNCIL MEETING

18 JUNE 2024

REPORT OF THE TOWN CLERK & RFO

APPROVAL OF ACCOUNTS AND ANNUAL RETURN FOR 2023/24

1 Introduction and Purpose of Report

- 1.1 As part of the Audit and Accounts Regulations, the Council is required to complete an Annual Return.
- 1.2 The purpose of this report is to authorise the Leader of the Council, Town Clerk and the RFO to sign off the Annual Return and Accounts , as appropriate, on behalf of the Town Council.

2 Wards Affected

- 2.1 All Wards.

3 Effect on Policy

- 3.1 Nil.

4 Contact Officer

- 4.1 Mark Hassall (01295 817313).

5 External Audit

- 5.1 Following changes to the audit regime, the Council 's E xternal Audit is now completed remotely. The deregulation removed the need for the E xternal Auditor to visit the premises at all, with a consequent significant savings in Audit costs. The larger town councils now come within the same Audit regime as all other parish and town councils , rather than that applied to principal authorities such as CDC and OCC which was the case prior to the introduction of the lighter touch audit regime.
- 5.2 Under the limited assurance regime bodies with annual income or expenditure over £200K but below £6.5m are regarded as "smaller" bodies and are subject to an intermediate audit. This requires the completion of an Annual Return which is then sent to the External Auditor for completion at section 3 along with the appropriate supporting evidence and an audit questionnaire. Whilst the Auditor no longer visits the site he is still required to probe further into the annual governance statement in a "show me" approach in testing the assertions made by the Council.

6 The Annual Return

Annual Governance Statement

- 6.1 The Annual Governance Statement (Section 1 of the Annual Return) has 9 parts; the Council meets the requirements of each as follows;
1. The accounts were prepared in accordance with the Accounts and Audit Regulations as they apply to Banbury Town Council.
 2. There are procedures and internal controls in place and there are regular checks of bank accounts and income and expenditure. The effectiveness of the internal controls has been reviewed.
 3. To the best of my knowledge, the Council has only taken actions and decisions on matters that it has the legal power to do so. Also, no matters of this nature have been reported by the internal auditor.
 4. The notice as to electors' rights will be displayed in accordance with the Audit and Accounts Regulations.
 5. An annual risk assessment is completed and reported to Council. Internal controls and insurances are reviewed on a regular basis.
 6. An independent internal auditor examines the accounting records and control systems and provides written reports and recommendations which go to Resources Committee. The effectiveness of the system of internal audit has been reviewed.
 7. All audit reports and recommendations from both the internal and external auditors, along with proposed actions to address any concerns, go before the Resources Committee for consideration.
 8. To the best of my knowledge, the Council has disclosed everything it should have about its business during the year including any events taking place after the year-end.
 9. The Council has discharged its responsibilities in relation to accountability for funds/assets held in trust.
- 6.2 In accordance with paragraph 6(4)(a) of the Accounts and Audit Regulations 2015 the Annual Governance Statement must be approved in advance of approving the Statement of Accounts. A copy is attached at **Appendix 1**.

Accounting Statements

- 6.3 This part of the Return (Section 2) will be completed by the RFO from extracts taken from the Council's computerised accounting system (RBS Omega) and verified by the Council's independent Accounts Advisor. Copy attached as **Appendix 2**.

7 Statement of Accounts

- 7.1 There is no longer a prescribed format for the Accounts. This has allowed for a more user-friendly format to be applied, which hopefully Elected Members and members of the public will find easier to follow. In any event the new format has considerably reduced the length of the Accounts.
- 7.2 The Accounts for the Year Ended 31 March 2024 (unaudited) are attached as **Appendix 3**.

8 Financial Effects and Risk Assessment

- 8.1 Undertaking an Annual Governance Review helps to ensure that the Council has an effective corporate governance framework and provides a mechanism through which weaknesses can be identified and addressed.

9 Recommendations

That the Council be RECOMMENDED to resolve:

- 9.1 That the Annual Internal Audit Report (page 3 of the Annual Return) be received and noted;
- 9.2 That the Annual Governance Statement (Section 1 on the Annual Return – attached as **Appendix 1**), where questions 1 to 9 are answered yes, and signed on behalf of the Council by the Leader of the Council and the Town Clerk;
- 9.3 That the Accounting Statements (Section 2 on the Annual Return – attached as **Appendix 2**) for the year ended 31 March 2024 be approved and be signed on behalf of the Council by the Leader of the Council and the RFO;
- 9.4 That the Accounts for the Year Ended 31 March 2024 (unaudited) (attached as **Appendix 3**) be approved and signed on behalf of the Council by the Leader of the Council and the RFO.
- 9.5 That the Notice of Electors Rights (attached at **Appendix 4**) be approved.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2023/24

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2024.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.

- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2023) equals the balance brought forward in the current year (Box 1 of 2024).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2024**.

Introduction to Accounting Statements

For the Year Ended 31 March 2024

The Accounting and Audit Regulations governing the production of the Council's accounts were amended on 31 March 2012. Prior to this date the Council were obliged to prepare its accounts under the 2008 FRSSE and these accounts were subject to a full code audit.

The new regulations allow the Council to adopt the Limited Assurance Audit Regime, the principal advantage being a considerable saving in audit fees and a less arduous audit regime.

The Council's statutory accounts are now produced in the form of the Annual Return. The Statements of Accounts which are not subject to audit provides background workings and explanations of the figures declared in the Annual Return.

The following items are included:

The Statement of Accounting Policies

This statement details the legislation and the accounting principles on which the financial statements are prepared.

The Statement of Responsibilities

This statement identifies the Council's responsibilities and identifies the officer who is responsible for the Council's financial affairs.

The Income and Expenditure Account (Unaudited)

This document shows the income generated and the total expenditure on the services provided by the Council for the year. If required, this document includes capital expenditure and the capital element of loan repayments.

The Income and Expenditure Account Reconciliation (Unaudited)

This document reconciles the figures shown in the Income and Expenditure Account to the Annual Return.

The Balance Sheet (Unaudited)

This sets out the financial position of the Council on 31 March. It shows the value of its assets, the value of its cash and bank values, how much it is owed and how much it owes and the balance of reserves at its disposal.

Notes to the Accounts

These provide further information on the amounts included in the financial statements.

Budget Comparison for the year ended 31 March 2024

The Council's policy is to estimate the total expenditure for the year, which may contain capital expenditure not financed via the precept. Any such expenditure of this type is included within the actual revenue expenditure for the year.

Statement of Accounting Policies

31 March 2024

Accounting Convention

The accounts have been prepared in accordance with the Governance and Accountability for Local Councils – A Practitioners Guide (England).

These accounts have been prepared having regard to the fundamental accounting concepts of: Going Concern, Prudence, Accruals, Relevance, Consistency, Reliability, Comparability, Understandability and Materiality.

The accounts have been prepared under the historical cost convention.

Prior to 1 April 2012 the Council's accounts were prepared in line with the Financial Reporting Standard for Smaller Entities (FRSSE 2008). The change from the FRSSE has resulted in a review of accounting policies, with changes in respect of the treatment of Fixed Assets.

Fixed Assets

All expenditure on the acquisition, creation or enhancement of fixed assets above the Council de-minimus (currently £5,000) is written off to the Council's Income and Expenditure Account in the year of acquisition. Expenditure on fixed assets is then included in the Balance Sheet with a corresponding transaction shown in the Capital Financing Reserve to balance the transaction.

Fixed Assets are included in the balance sheet at carrying value current on 31 March 2009 together with subsequent acquisitions and enhancements at cost.

Depreciation Policy

All assets are held at cost on the balance sheet, in line with the accounting regulations.

Disposals

Where an asset is disposed of at a value above the de-minimus level (currently £10,000), the proceeds of the capital receipt within the meaning of the Local Authorities (Capital Financing and Accounting) (England) Regulations 2011, are included in the Income and Expenditure Account and carried to the Useable Capital Receipts Reserve.

Grants or Contributions from Government or Related Bodies

Capital Grants

Where a fixed asset has been acquired or improved with the financing either wholly or in part by a grant or contribution from government or a related body, e.g. Sports Council, the full amount of the grant has been included in the Income and Expenditure Account to off-set the cost of purchasing the relevant asset.

Revenue Grants

Whether paid on account by instalment or in arrears grants and third party contributions are recognised as income on the date the Council receives the payment. Revenue grants are matched in revenue accounts with the service expenditure to which they relate and are shown under a separate heading in the Statutory Income and Expenditure Account.

Capital Receipts

Capital receipts arising from the disposal of fixed assets are taken to the Capital Receipts Reserve until such time as they are used to finance new capital expenditure.

Investments

Investments over one year in length are not included in the balance sheet and realised gains or losses are taken into the Income and Expenditure account as realised.

Stocks and Work in Progress

Stocks where relevant are being constantly replaced and their value is not material to assessing the Council's state of affairs, as a result, stock is written off directly to revenue expenditure.

Debtors and Creditors

The revenue accounts of the Council are maintained on an accruals basis in accordance with the regulations. That is, sums due to or from the Council during the year are included whether or not the cash has actually been received or paid in the year. Exceptions to this are payment of regular quarterly and other accounts (e.g. telephones, electricity). This policy is applied consistently each year. Therefore, it will not have a material effect on the year's accounts or on the Council's annual budget.

The Council reviews the level of its commercial debtors on a regular basis and provisions are made, as required, where the likelihood of amounts proving ultimately collectable is in doubt.

Value Added Tax

Income and Expenditure excludes any amounts related to VAT, as all VAT suffered/collected is recoverable from or payable to HM Revenue and Customs. Any amounts not so recoverable are treated as a separate expense.

External Loan Repayments

When required, details of the Council's external borrowings are shown in the notes.

The Council shows external borrowings in its Balance Sheet. However the capital element of loan repayments is included in the Income and Expenditure Account and transferred to the Balance Sheet via the Capital Financing Account.

Leases

The Council has no commitments under finance leases. Rentals payable under operating leases are charged to revenue on an accruals basis.

Reserves

The Council maintains certain reserves to meet general and specific future expenditure. The purpose of the Council's reserves is explained in the notes.

The Capital Financing Reserve is maintained to manage the accounting processes for tangible fixed assets. It does not represent usable resources for the Council:

Capital receipts arising from the disposal of fixed assets are taken to the Useable Capital Receipts Reserve until such time as they are used to finance new capital expenditure.

Interest Income

All interest receipts are credited initially to general funds.

Interest is reallocated to certain reserves based on the level of their fund balance.

Cost of Support Services

The costs of management and administration have been apportioned to services on an appropriate and consistent basis.

Pensions

The pension costs that are charged against precept in the Council's accounts, in respect of its employees, are equal to the contributions paid to the funded pension scheme for those employees.

These contributions are determined by the fund's actuary on a triennial basis and are set to meet 100% of the liabilities of the pension fund, in accordance with relevant government regulations.

The Local Government scheme is accounted for as a defined benefit scheme.

- 2.1 Each committee shall formulate and submit proposals to the Resources Committee in respect of revenue services and capital projects for inclusion in the rolling capital programme not later than the end of January each year.
- 2.2 Detailed estimates of income and expenditure on revenue services, and receipts and payments on capital account, shall be prepared each year by the RFO.
